Cancellations received within 7 days of class will not be refunded

Eric Bashore, Director and staff from Risk Management Specialist of USDA/RMA/RO Billings, will present an overview of the procedural changes and common agent questions for our region and North Dakota. They will discuss ·2025 Crop Year Actuarial Filing updates, Crop Policy and Handbook Changes, and agent questions that they get on a regular basis. These seminars give you the opportunity to get information from and give opinions to the administrators of the farm programs that directly affect your clients. Make plans to attend and sign up today!!
